assigned under the I&B Code, namely:-

- 2.2. A Resolution was passed by the Committee of Creditors for substitution of the IRP, as a consequence, a Miscellaneous Application (MA No.362/2017) was moved on 24.08.2017. Vide an Order dated 15.09.2007, the NCLT has approved the substitution by appointing Resolution Professional Dr. Rajendra M. Ganatra. It was also directed to outgoing IRP to hand over all the information collected by him as prescribed U/s 23(3) of The Code. It is worth to mention that "Information Memorandum" as prepared by the IRP has recorded certain inconsistencies in the Corporate Debtor's record. An information is available that the Financial Statement for the year ended on 31st March, 2016 had not been adopted by the Shareholders of the Corporate Debtor due to the reason that a Stay was granted by the Hon'ble High Court for holding AGM on 30.09.2016. The Memorandum had also consisted an information that, quote "the corporate debtor had issued 7,00,000 CDRs at US\$11.084 each representing 35,000,000 equity shares on 26.07.2012 as per the Offering Circular. The amount raised in GDRs was US\$ 77,589,800/- (Rs. 42.97 crores approximately). The said GDRs were listed on the Luxemburg Stock Exchange. Necessary documents with regard to receipt of the GDR amount and inward remittance were not made available for review,"
- Third CoC meeting was held on 14.11.2017 wherein the I.M. was discussed and certain irregularities have also been highlighted in the discussion. It was noticed that the Corporate Debtor had recorded fictitious Sales and Purchases, further wrongfully written off certain accounts. There were several instances of irregularities which were also informed in the

report and also through a separate Application. An Order on this Application is yet to be passed i.e. pending for disposal. In this meeting it was also decided to **invite Resolution Plan U/s 29** of The Code based upon the Revised I.M. Again on 15.11.2017 Advertisement was published inviting "Expression of Interest" (EoI).

- 2.4. Three Resolution Plans were received for consideration submitted by the following Resolution Applicants:
 - a. Dipti Vegoils Ltd (DVL);
 - b. Rubberwala Housing and Infrastructure Ltd. (RHIL); and
 - c. Recon Oil Industries Pvt. Ltd. (Recon).
- 2.5. Fourth CoC meeting was held on 30.11.2017 and the Resolution Applicants were asked to Tartio furnish improved offer in the Resolution Plan.
- 2.6. On Fifth CoC meeting held on 07.12.2017 it was observed that the Resolution Plan submitted by the 'Recon' was not admissible. The two Plans of DVL and RHIL were left for final decision. However, on 08.12.2017 a Revised Resolution Plan was submitted by the said two entities.
- 2.7. Sixth CoC meeting held on 19.12.2017 and the improved Resolution Plans were placed for consideration. The CoC again impressed upon the improvement in the respective Resolution Plans. It has also been communicated that a final Revised Plan be submitted by 21.12.2017.
- 2.8. During this interregnum, 180 days were scheduled to expire on 06.01.2018. As a consequence, an Application was submitted (MA No.5/2018) for seeking extension of 90 days. The said Application was allowed by this NCLT Bench vide Order dated 05.01.2018.
- 2.9. An E-Voting was held in accordance with Regulation 26(4) of the CIRP Regulations. The CoC had voted in favour of the Resolution Plan submitted by RHIL jointly with Mukhi Industries Limited (MIL) by 77.68% voting.
- 2.10. The Resolution Professional has also communicated that in the light of the newly introduced Section 29(A) [with retrospective effect from 23/11/2017 Insolvency & Bankruptcy Code (Amendment) Act 2018] to be read with Regulation 39(3) of CIRP Regulation, a report U/s 30(2) of The Code has also been submitted. https://www.facebook.com/bandranewsmumbai/posts/100263107981 5067

The link carries a letter dated May 18, 2016 from AH Khan of Adarsh Samaj Sevak Sangh, Mazgaon (ASSM—an NGO), addressed to (i) chief minister of Maharashtra, (ii) home minister of Maharashtra, and (iii) director general of police, Mumbai, complaining that ASSM had come to know about several complaints and cases against Mr. Tabrez Rubberwala at J.J. Police station (CR 10/15), Pydhonie police station (FIR No. 318/2012), Agripada police station, etc. ASSM further stated that Mr. Tabrez Rubberwala was cheating poor people in the name of construction, was a habitual cheater and requested for cancellation of police protection given to him.

In view of the fact that such information is not available in the public domain, the veracity of the occusations against Mr. Tabrez Rubberwalo cannot be established. However, Mr. Tabrez sent notarized affidavit confirming compliance with section 29A which also requires confirmation that the person has not been convicted with any offence punishable with imprisonment for two years or more! The company has also confirmed compliance with CIRP regulations 38(3)(c) As such compliance with section 29A and regulation 38(3)(c) is treated as complete in principle.

2.11. The Resolution Professional has thus submitted his comments as prescribed U/s 30(2)(a) to Section 30(2)(f) of the Insolvency Code, revolving around the Resolution Plan submitted by RHIL and MIL jointly. The said Report contained all necessary statics as prescribed under the Code, hence submitted for due consideration of the Committee of Creditors. The most important part is the commitment on the part of the Resolution Applicant. It is informed that the Resolution Applicant is committed to pay a sum of ₹6224 Lakhs to the Creditors as against the Liquidation yalue of ₹2283 Lakhs. Further, the commitment is to invest ₹1260 Lakhs, (i) towards Plant Refurbishment ₹200 Lakhs, (ii) Working Capital ₹1000 Lakhs, (iii) Insolvency Resolution Process cost ₹60 Lakhs. Thus the aggregate comes to ₹7484 Lakhs. The assurance is that a sum of ₹6224 Lakhs which is committed towards payment to Creditors shall be cleared in 15 quarters after approval of the Resolution Plan. The summary of the total commitment is as follows:-

2.14. The Application submitted by the Learned Resolution Professional also contains the Financial Performance of the Resolution Applicants along with the Profits earned in the past few years. An analysis has been made about Earning Before Income Tax, Depreciation and Amortization (EBITDA). The Resolution Applicant's comment is that the operations are modest with net worth of Rs. 738 lakhs and capital employed of Rs. 767 lakhs as on 31.03.2017. It had recorded 83% decline in sales and 73% decline in total income due to substantial increase in inventory of 369% during FY-2017. This is consistent with the slump in the construction industry which has large unsold inventory. As a result, the company continued to have significant negative cash flow during the above period, commented by Learned Resolution Professional. The accepted fact is that the Company continued to face Liquidity strain. Because of the said reasons the Resolution Professional had raised an objection that it was unclear how the Resolution Applicant would make any contribution as proposed to infuse ₹43.42 erores for ROIL take over during the next 2-1/2 years. This question was raised and to get an answer, a Chartered Accountant of Resolution Applicant made a representation on the said Resolution Plan to the Committee of Creditors and some of the salient features are as under the sector of the sector of

"(a) the three promoters had about Rs. 25 crore in their capital account from which investible surplus would be deployed (no estimate or details of investible surplus was available), and,

(b) the company had two contracts valued at Rs. 75 crore and the cash flow from those projects would be deployed for the commitment in ROIL."

2.15. It has also been informed that on MCA search it was found that the Promoters have promoted six Companies including Rubberwala Housing and Infrastructure Ltd. (RHIL).

Track record of the Resolution Applicant has also been examined. It has also been informed that RHIL is banking upon the background of Mukhi Industries Ltd. (MIL). The net worth of MIL as on 31st March, 2017 and the paid up capital stated to be ₹254 lakhs, however, there were no operations during last two financial years. The Committee of Creditors had accepted the feasibility of the projected infusion of Promoter's contribution. The Resolution Plan which was received on 08.12.2017 was placed for consideration before Committee of Creditors had taken the following decision:-

- (a) The revised resolution plan with the figures as submitted by the RAs as per the format given by the COC today may be submitted latest by 12 noon on December 21, 2017.
- (b) The revised resolution plan should not have any condition linked to proposed payment to the creditors though it may have conditions relating to required waivers (forbearance) from various government authorities (agencies).
- te) The revised resolution plan should cover all the extent provisions, regulations including under regulations 37 and 38. It is should specifically indicate the amount payable to the dissenting creditors, the equity structure proposed in the plan in terms of subscription amount, and percentage holding by the RA, public, and other entities if any. Besides it should propose one or more agencies for management of the affoirs of the company and implementation and supervision of the resolution plan,
- (d) The RA must deposit 10% of the total mount committed to the creditors as per the resolution plan by December 21, 2017

 by 3 (h) pm in the escribe account with SVC as advance. Particulars of the account would be communicated to the RAs

 immediately.
- (e) The above account will be treated as Escrow Account (EA). In case the resolution plan of any resolution applicant (RA) is rejected, the advance will be remitted back to the RA immediately. Towards this, RA has to submit bank account details för returning the amount if necessary. In case of acceptance of resolution plan of an RA, the amount will be retained in the EA and distributed among the creditors as proposed in the resolution plan, immediately upon approval by the NCLT. If however, the resolution plan is rejected by NCLT, the amount will be returned to the RA immediately upon receiving the NCLT order.
- (f) If the RA fails to remit the full advance as above, its resolution plan will not be considered by the COC.
- (g) Release of existing personal guarantees collaterals will not be acceptable in the resolution plan.
- 2.16. In the light of the said requirement as stipulated by Committee of Creditors, a final Resolution Plan was submitted by the RAs jointly. The said two Resolution Plans were put to e-voting. In terms of **Regulation No. 25(2)** the COC voted for the final Resolution Plan submitted on 20-12-2017. The result of the voting was that 77.68% assenting votes,

18.91% dissenting vote and 3.41% remained absent. In terms of the notification dated 31.12.2017 issued by IBBI, a "dissenting financial creditor" means a Financial Creditor who voted against the Resolution Plan or abstained from voting. In this case, since the voting on Resolution Plan under consideration was concluded on 22.12.2017 i.e., before the notification date, hence the Insolvency Professional had made a request that 3.41% abstaining voters may be treated equivalent to "assenting Creditors". The Resolution Plan finally so approved thus provided Rs.7,484 lakhs containing the following three main components:-

- (i) an amount of Rs.6224 lakhs payable to the creditors, (ii) insolvency resolution process cost of Rs. 60 lakhs (iii) plant refurbishment cost of Rs.200 lakhs and working capital of Rs.1000 lakhs.
- 2.17. An important issue was raised from the side of RA that whether on approval of the Resolution Plan the RA should be held liable, responsible or convicted in respect of any disclosed or undisclosed litigation of Raj Oil Mills? In the Resolution Plan it is expressed that there shall be no responsibility, however the Resolution Professional had not made any comment on this proposal.
- 2.18. Likewise, one more suggestion of RA was that the RA shall not be responsible or charged for any act or omission prior to the date of approval of the Resolution Plan. There was no comment of Resolution Professional on this issue as well.
- 2.19. Further, RA has also put a condition that he shall not be responsible for any claim, damage, penalty, attachment, etc. if any imposed under Assessment proceedings or execution of any Judgment or Decree of any Court of Law. However, the Debtor Company had not received any claim from the side of the Income Tax Department towards Income Tax liability. It is also demanded that on acceptance of the Resolution Plan no property of the Company be recovered under any Order, Judgment, etc. Any property over which the Lenders or the Government Body has exercised their control-belonging to the Corporate Debtor, should be released from lien subject to approval by Adjudicating Authority. On payment of the amount settled the Secured Creditors shall vacate the charge and the mortgage on the property or personal guarantee. This condition was not acceptable to Committee of Creditors.

- 2.20. In respect of the payment to Workers and Employees, RA had undertaken to make
- payment of the outstanding dues of Workers and Employees. This was accepted by the

 Committee of Creditors. The Resolution Professional has accepted the claim of Workers

 and Employees, as admitted by the Resolution Applicant.
- 2.21. As per the details of the Accounts, RA had noticed that in all there are 1,483 Fixed

 Depositors. In terms of the Resolution Plan and also accepted by the Committee of Creditors

 U/s 30(4) of The Code, the RA had proposed to pay 100% of the Principal i.e. 5.36 Crores

 in four equal quarterly instalments starting from 5th quarter i.e. 90 days after approval of the Resolution Plan.
- 2.22. It was resolved that the Resolution Professional is required to hand over the charge of affairs of "Corporate Debtor" i.e. Raj Oil Mills along with Books of Accounts, Asset of the Company, Documents, Agreement, etc.
- dubeth a treatment conversion 2.23. Further, it has also been resolved that all the rights in terms of lease, tenancy etc. shall continue to be the property and rights of the incoming Company (RA) without any hindrance. The Debtor Company is having an office at Bellasis Road, Mumbai Central which is stated to be a tenanted property and the Landlord of the property is a Firm called M/s. Raj Builders. The said Landlord had sent a request to Resolution Professional seeking vacant possession of the said premises stated to be occupied by the Respondent Corporate Debtor, Before the Company could hand over the vacant possession the CIRP was commenced with effect from 10.07 2017. As a consequence, 180 days Moratorium had also commenced which had ended on 06.01.2018. Admittedly, during the period of "Moratorium" no change in the Assets of the Company - whether tangible or intangible bird and of the was permissible under the Insolvency Code, hence maintained the status quo. M/s. Raj at contract of the little of Builders, owner / land-lord, had not filed its claim for overdue rental as operational creditor. the recognition to the late of

It is worth to clarify at this juncture itself that the incoming Resolution Applicant i.e. RHIL and MIL are stepping into the shoes of the outgoing Concern i.e. M/s. Raj Oil Mills. Due to this reason, the office premises shall not be changed/vacated by this Order. It shall depend upon the Terms and Conditions of the Lease Agreement' as laid down

- NU

- (a) Consider and allow the instant MA No. 35/2018;
- (b) Consider and approve the resolution plan approved by the Committee of Creditors (CoC) u/s 31(1) of the IBC 2016:
- (c) Consider closing the corporate insolvency resolution process of the corporate debtor on approval of the resolution plan under TBC, 2015;
- (d) Consider declaring u/s 31(3)(a) of IBC, 2016, that the moratorium u/s 14(1) of IBC, 2016, shall cease to have effect from the date the Hon'ble NCLT passes an order approving the resolution plan;
- (e) Consider passing such directions as the Honble NCLT may deem fit and proper with respect various issues listed in the Table under para 49 hereinabove;
- Consider directing various authorities to undertake speedy investigations and conclude the matters on various issues relating to irregularities and non-compliances as contained in the RP's 'Qualifications and Observations' enclosed at Exhibit X of the instant MA, "

as MA 27 of 2018 in CP 1132 of 2017, by SICOM Limited seeking a claim for a sum of Rs.1.07 Crore for due consideration. It is stated that SICOM is in the category of "Unsecured Financial Creditor" of the Corporate Debtor. As per the facts alleged therein that a Bill Discounting Facility of Rs.15 Crores was provided to the Corporate Debtor. The Facility was against Security of pledge of Shares held by the Directors of the Corporate Debtor. In the event of default SICOM invoked the aforesaid pledge and sold the Shares. As a result, appropriated the proceeds received towards the outstanding due. However, it is alleged that there was a Debt payable by the Corporate Debtor amounted to Rs.21,40,96,799/- as on 10.07.2017. This Applicant has raised a claim before the Resolution Professional in the following manner:-

"9. I say that under the Approved Resolution Plan, out of the aforesaid outstanding sum of Rs. 21, 40, 96, 799/- (Rupees Twenty One Crores Forty Lacs Ninety Six Thousand Seven Hundred and Ninety Nine only) SICOM was proposed to be paid an aggregate sum of Rs. 1,07,00,000/- (Rupees One Crore and Seven Lacs only), with an upfront payment of Rs. 27,00,000/- (Rupees Twenty Seven Lacs only) and the balance being payable in six quarterly installments. Per contra, under the Resolution Plan submitted by Dipti Vegoils Limited, an aggregate sum of Rs. 1,61,00,000/- (Rupees One Crore Sixty One Lacs) was proposed to be paid to SICOM with an upfront payment of Rs. 1,07,00,000/- (Rupees One Crore and Seven Lacs only) and the balance being payable in eight quarterly installments. SICOM graves leave to refer to and rely upon the plan submitted by Dipti Vegoils Limited when produced."

6.1. The objection is that the Applicant has **dissented** the approval of the Resolution Plan, therefore, as per the communication received, disentitled for the claim. It is informed in this Application that on 11.01.2018 the Resolution Professional addressed an e-mail stating

Monthly and the property of the state of the

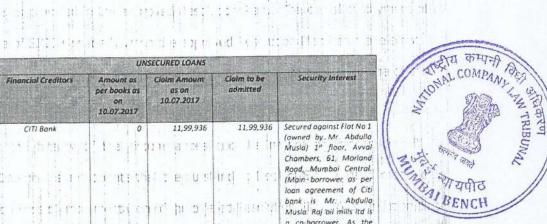

数数数数数 基件 were a traffet traces in a trace of the

Flore to be great a total Present to a fact of all total first page 13 of 32

therein that since SICOM voted against the approved Resolution Plan hence to be treated as "dissenting Creditor" and will be entitled only to receive the Liquidation Value. In short, it is pleaded that after detailed discussion and through exchange of number of email, the representation made by SICOM was not placed before the Hon'ble Tribunal. As a result, the outcome of the Insolvency Resolution Process is prejudicial to the interest of SICOM. Through this Application SICOM is making a representation for its entitlement to receive a sum of Rs.1.07 Crore as provided in the approved Resolution Plan. The denial of payment of the legitimate due of SICOM specially when the approved Resolution Plan had made a provision for the said payment of SICOM, the decision of the RP is contrary to the scheme of the I&B Code, pleaded by the Ld. Representative of the Applicant.

6.2. Considering the totality of the circumstances and the nature of transaction with the Corporate Debtor it is appropriate that the outstanding Debt of SICOM be also considered during the process of implementation of the offered Resolution Plan. A compilation placed before us contains a list of Unsecured Financial Creditors and their respective claims shortlisted on 10th July, 2017. For ready reference the said list is reproduced below:-

6.3. It is important to clarify that the Debts owed to a Secured Creditor shall get preference over the Debts owed of Unsecured Creditors. The Secured Financial Creditors have preference and the list is as under:-

6.4. To answer this legal question whether a "dissenting Financial Creditor" is entitled to be made a Creditor in an approved Resolution Plan, we have examined the provisions of The Code. If we read Section 30 of I&B Code along with Regulation 38 of Insolvency & Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations 2016 it transpires that Section 30 prescribes that a Resolution Applicant is to submit a Resolution Plan which provides for payment of Resolution Cost and simultaneously also provide for repayment of the Debts in such manner which shall not be less than the amount to be paid in the event of Liquidation of the Corporate Debtor U/s 53 of The Insolvency Code. The Regulation 38 has also specified that a Resolution Plan shall identify specific sources of Funds that will be used to pay the Liquidation Value due to

ignicientiacuti in all wie stild

dissenting Financial Creditor and provide that such payment is made before any recoveries are made by the Financial Creditors who voted in favour of the Resolution Plan. A conjoined reading of these two provisions thus indicates that the Statute has not provided outright rejection of claim of dissenting Financial Creditor. If a Resolution Plan has a provision in respect of servicing the Financial Debt of the said dissenting Financial Creditor and that Resolution Plan in toto has been approved by the CoC then it is unjustifiable to take a view against the dissenting Creditor.

oting held on 21/12/2017 voted in favor of Dipti Vegoils Limited on the ground that in the said Plan there was a better repayment terms favourable to him. Therefore, it is a case of giving preference to one Resolution Plan over the other one. Undisputedly this 'dissenting creditor' is otherwise part of the CoC. The CoC had approved a plan and that plan has made a provision for this Creditor, which means that his claim is in-built in the approved Resolution Plan. Resultantly, the Miscellaneous Application 27 of 2018 submitted by SICOM is partly allowed to the extent that the sum receivable of Rs.1.07 Crore being an Unsecured Loan shall be considered only after the Settlement of the Secured of Resolution.

Finally, after having a detailed foregoing discussion on Insolvency Process adopted so far, now the feasibility of the Resolution Plan is required to be examined. The revised N Resolution Plan was submitted on 21st December 2017. Only the main feature relevant for satisfaction of the outstanding Debt are reproduced as also discussed hereunder:

PAYMENT TO WORKERS

We have perused the copy of Information Memorandum as per the point 15 on page no. 110 Resolution Professional has stated that they have received claim from some of the Ex- employees which are under review. As the amount has not been ascertained and the claims are not quantified it is not practical to make the provision for payment of the same. We have made assessment on the basis of the information in the IM that the claim of workers will not be more than 2.42 crs. To ensure that claims of the workers are settled we are willing to settle such cases at the rate of 35% of the claims admitted before approval of Resolution Plan by Adjudicating Authority subject to maximum of Rs. 0.85crores.

8. It has been brought to our notice that one of the justifications for approval of the Resolution Plan is that the Liquidation Value is minimal comparing the proposals made in the Resolution Plan. To demonstrate this fact following chart is worth reproduction:-

9. The Procedure as prescribed under The Code is that a Resolution Plan is required to be submitted by a Resolution Application U/s 30 of The Code. On approval, the Resolution Professional is to submit U/s 30(6) the Resolution Plan, as approved by the Committee of Creditors, to the AA. Thereafter, u/s 31, as reproduced supra, AA is to examine the contents of the Resolution Plan. The mandate of this section is that if the AA is "satisfied" that the Resolution Plan as approved by the Committee of Creditors meets the requirement as referred to in section 30(2), shall by an Order, approve the Resolution Plan. So the prerequisite is that recording of "satisfaction" by AA is a condition precedent. A "satisfaction" is to be recorded in writing in the Judgment approving the Resolution Plan. "Satisfaction" is required to be based upon a conscious decision on examination of the terms of the Resolution TELL BOUNDS OF Plan. In our humble opinion a thorough study of a Resolution Plan is required before recording a "satisfaction" in writing by AA. The 'satisfaction' as mandated in the statute can either objective or subjective or both, but it is a condition precedent. Naturally 'satisfaction' is to be recorded in writing with reasons after proper B CTRICE application of mind. The pros and cons of the scheme is required to be studied THE EXPRISE UNITED S before recording subjective satisfaction. If the CoC has submitted the scheme of

REAL AN TRIBUNAL Resolution after visualising the advantage and disadvantage then such proposal can be termed as just and equitable fit for according satisfaction. An 'objective satisfaction' revolves around the object of enactment of the Code as enshrined in the Preamble of the I & B Code i.e. to revive the financially stressed corporate body: And the 'subjective satisfaction' depends upon logical analysis of the Financial Data supplied so as to match with the business model of the Corporate Debtor. A methodical scrutiny of Financial Statement is expected before concurring with approval of the CoC. Per contra, absence of recording of subjective satisfaction may lead to situation that, being sanctioned without judicial analysis, thus may not be sustainable in the eyes of law. There are no two views, and must not be, that this I & B Code provides greater accountability both on the Insolvency Professional, as also on CoC, mainly comprise of lender Banks.
